JOINT CASE MANAGEMENT STATEMENT

Case No. 4:11-cv-02022-PJH

The parties, by and through their undersigned counsel, jointly submit this Case Management Statement in response to the Court's minute entry of January 13, 2014.

The parties jointly request that the Court continue the Case Management Conference to April 24, 2014 (or a date thereafter that is convenient for the Court), as Nissan North America’s (“NNA”) petition seeking interlocutory review of the Court’s class certification order still is pending before the Ninth Circuit Court of Appeals. In the previous case management statement filed in connection with the January 16, 2014 Case Management Conference, NNA informed the Court of its pending 23(f) petition, and the Court thereafter continued the Case Management Conference for a period of 60 days. (Dkt. 127.) The parties are hopeful that this continuance of the current Case Management Conference date will allow for the conference to be conducted after the Ninth Circuit has ruled on the petition.

In addition to this joint statement, the parties also have concurrently submitted a joint stipulation and proposed order for the Court's consideration, which continues the Case Management Conference to April 24, 2014 at 2:00 p.m.

Respectfully Submitted,

Dated: March 13, 2014
